Fidelium defunctorum de Oxon

TYPOGRAPHVS LECTORI.

Si quid in hac sexta Dictionarij Thomasii *editione præstare sim conatus, quærat à me ingenuus & honesti laboris æquus estimator, intelligat me omninò illud in hac editione assequutum esse, quod in superioribus secutus sum: nempe vt quæ iam erant, ea integriora atque emendatiora exirent: & quæ desiderari videbantur, explerem. Primùm enim quoniam abesse etiamnum multa vocabula constabat, eius lacunas vt pro virili replerem, feci vt omnia verbula, quæ commodè in tantillo temporis spacio ex omnibus omnium authorum selectissimorum commentariis erui possent, in hunc nostrum intexerentur. Quinetiam hoc non contentus, dedi operam vt vniuersum opus denuò ad incudem [quod aiunt] reuocatũ esset, & sedulò examinatum. Quâ novâ diligentiâ, multa sunt castigata, non pauca in meliorem ordinem redacta, ingens verò vocabulorum farrago aaiecta. Præterea [quod in prioribus editionibus desideratum est & à nonnullis vt res valdè ne-*

ces-

ceſſaria, efflagitatum] adiunximus etiam varium vocabulorum uſum ex Oratorum, Poetarum, hiſtoricorumq; ſcriptis diligentius quàm antehac obſeruatum. Quare vbicunque repereris hanc notam adſcriptam ¶ ibi ſcito vel ſignificationẽ, vel vſũ dictionis nõnihil diſcrepare ab eo, quòd proximè ſuperius præceſſerat. Ac ne quippiã quod cõmuni ſtuaioſorũ vtilitati in ſeruire videatur, in hoc opuſculo deſiderarctur, appoſui etiam tractatum de Põderibus, Menſuris, Moneti ſquè veteribus accuratiſſimè deſcriptum. Nouiſſimè autem ſub hac forma conſultò edidi non ſolum quia ſpecioſior reliquis videtur omnibus, verum etiam quoniam minoris pretij eſt, & propterea à pleriſq; exoptatu. Atque hæc ferè propria iſtius ſextæ lucubrationis: alia porro omnia communiter cum prioribus. Nam ea vocabula quibus authorum nomina non appinguntur, Citeroniana ſunt omnia: & ſi quod fortè occurrat huius ſtellule * notâ inſignitum, illud aut eſt à recentioribus ſcriptoribus vſurpatum, aut, tanquam expoſita in ſylvis proles, parentes ſuos ignorat. Singularum autem ſyllabarum ſiquando in generales canones non inciderint, quantitates exactiùs vſitatis notulis dèpinguntur. Poſtremò, quæ verba latini ſcriptores à Græcis mutuantur, ea etiam appoſuimus atque a cæteris diſtinximus. Quæ omnia æſtimatori æquo cognoſcenda atque fruenda relinquo.

DICTIONARIVM LINGVÆ LATINÆ ET ANGLICANÆ.

A Ab præpositiones sunt ejusdē significationis, prior lōga, posterior brevis. *Of, for, ever since, against, after, with, on, at, for: by or through: toward: out of, in comparison of.*
